# The Mercy Seat

GILL CRONAU

- Never was there a time in history where healing is more needed and relevant to everyone's lives, including our own. And we are trustworthy envoys of the kingdom of heaven. Healing is in the kingdom, as are justice, peace, deliverance, provision, and joy.
- There is an invitation today from the Holy Spirit to us all to partner with him in our everyday lives and places of work.

## AUTHOR BIO

Gill Cronau has been a GP for the last 30 years, and lives with her family in Peterborough, England.

## ENDORSEMENTS

'In *The Mercy Seat*, you will find page after page of faith-filled and utterly inspirational stories that will create in you hunger to see Jesus move in your workplace, family and everyday lives. Gill's powerful authenticity and courage shine all the way through this book and I utterly commend it to you in the hope that it will provoke you to a life of prophetic kindness towards people whom he loves. God's mercies are new every morning and this book underlines that truth in a most profound way.'

**Phil Wilthew, Author of *Developing Prophetic Culture and Multiplying Disciples***

'If you work in the healthcare sector, I know that this book is going to give you hope and faith for more. My prayer is that you will receive an impartation from the Holy Spirit as you read Gill's stories, so that her ceiling in God would become your floor. God wants you to partner with Him so that many, many people in your care encounter His love and kindness. This is what you've been made for! If, like me, your area of influence is different to Gill's, let her stories inspire you and stir your faith for the people and places you're called to impact. All of us are invited into a life-giving adventure of proclaiming and demonstrating God's kingdom wherever we have influence. The truth is that God wants to use ordinary people like you and me to change the world, one encounter at a time. I want to encourage you to pray that your heart and mind would wake up to this truth as you read this book. God has prepared so many good works for us to step into. Let's not settle for anything less. Without God we can do nothing. With God anything is possible!'
